The Financial Institution and Central 1 are not liable for any cost, loss, damage, injury, inconvenience, or delay of any nature or kind whatsoever, whether direct, indirect, special, or consequential, that the Depositor may suffer in any way arising from non-continuous or interrupted service or the Financial Institution or Central 1 providing or failing to provide Direct Services for Business, or from the malfunction or failure of telecommunication systems, computer hardware or software, or other equipment, or other technical malfunctions or disturbances for any reason whatsoever, nor are the Financial Institution or Central 1 liable for any lost, incomplete, illegible, misdirected, intercepted, or stolen messages, or failed, incomplete, garbled, or delayed transmissions, or online failures (collectively, "Interruption Claims"), even if the Depositor has advised the Financial Institution of such consequences. The Depositor releases and agrees to hold harmless the Financial Institution and Central 1 from any and all Interruption Claims.

7. Authorization for Transactions

The Depositor acknowledges and agrees that:

- (a) using the PAC to authorize a Transaction constitutes authorization of that Transaction in the same manner as if authorization was given by the Depositor or the Signing Officer in person

- or as otherwise contemplated or permitted by the Account Agreement;
- (b) the Depositor will be bound by each such Transaction; and
- (c) once the PAC has been used to authorize a Transaction, the Transaction cannot be revoked or countermanded.

The Depositor irrevocably authorizes and directs the Financial Institution to debit or credit, as the case may be, the amount of any Transaction to the Account, together with any service charges or fees, authorized using the PAC, the PIW, in person by the Depositor or the Signing Officer, or as otherwise contemplated or permitted by the Account Agreement, in accordance with the normal practices of the Financial Institution, which may be amended from time to time without notice.

8. PIW and PAC Confidentiality

The Financial Institution can assign and/or require the Depositor or a Signing Officer to select and use a PIW in connection with this Agreement. The Depositor agrees, and shall ensure that each Signing Officer agrees, to keep the PIW confidential and will only reveal it to authorized Financial Institution agents or officers when required by the Financial Institution. The Depositor agrees, and shall ensure that each Signing Officer agrees, not to record the PIW in any format or medium. The Depositor and each Signing Officer can change the PIW at any time. The Depositor agrees, and shall ensure that each Signing Officer agrees, to change the PIW if and when required by the Financial Institution. The Depositor acknowledges, and shall ensure that each Signing Officer acknowledges, that the PIW must be changed if there is a change in the persons authorized to provide Remote Instructions on the Account.

The Depositor agrees, and shall ensure that each Delegate, Non Signer, and Signing Officer agrees, to keep the PAC confidential. The Depositor agrees, and shall ensure that each Delegate, Non Signer, and Signing Officer agrees, not to record the PAC in any format or medium. The Depositor, a Delegate, the Non Signer, and the Signing Officer may change the PAC at any time. The Depositor agrees, and shall ensure that each Delegate, Non Signer, and Signing Officer agrees, to change the PAC if and when required by the Financial Institution. The Depositor acknowledges, and shall ensure that each Delegate, Non Signer, and Signing Officer acknowledges, that the PAC must be changed if there is a change in the persons authorized to access the Account.

The Depositor is responsible for all use of the PIW and/or PAC and for all Transactions on the Account authorized using Direct Services for Business.

The Depositor acknowledges that the Financial Institution may, from time to time, implement additional security measures, and the Depositor will comply, and will ensure that each Delegate, Non Signer, and Signing Officer complies, with all instructions and procedures issued by the Financial Institution in respect of such security measures. The Depositor is aware, and will ensure that each Delegate, Non Signer, and Signing Officer is aware, of the risks of unsolicited email, telephone calls, and text message transmissions from persons purporting to be representatives of the Financial Institution. The Depositor agrees, and will ensure that each Delegate, Non Signer, and Signing Officer agrees, not to respond to such unsolicited communications and will only initiate communications with the Financial Institution either through the Financial Institution's internet banking website or through the Financial Institution's published contact information as shown on the Financial Institution's website.

If the Depositor or Signing Officer discloses the PAC to a Third Party, and if the Financial Institution becomes aware of such disclosure, the Financial Institution may, in its sole discretion, waive the confidentiality requirements described in this article 8, PIW and PAC Confidentiality, but only if such disclosure is for a reputable personal financial management service similar to that described in article 30, Personal Financial Management. Notwithstanding any such waiver, the Depositor

acknowledges and agrees, and shall ensure that the Signing Officer acknowledges and agrees, that the Depositor remains responsible for all use of the PAC by the Third Party.

9. Remote Instructions

The Depositor or the Signing Officer may provide Remote Instructions to any branch of the Financial Institution as permitted by the Financial Institution, online through the Direct Services for Business web portal, or through the Financial Institution's telephone banking service, if any. The Remote Instructions may concern the Account maintained at that branch, or may concern other Transactions and arrangements conducted at or with that branch.

The Financial Institution may, but will not be obliged to, act on Remote Instructions received in the name of the Depositor along with any requisite PAC and/or PIW, if any, to the same extent as if the Remote Instructions were written instructions delivered to the Financial Institution by mail and signed by the Signing Officer authorized to operate the Account. Any such Remote Instructions are deemed genuine.

The Financial Institution may, in its sole discretion, acting reasonably, delay acting on or refuse to act on any Remote Instruction.

A Remote Instruction is deemed received by the Financial Institution only when actually received and brought to the attention of an authorized officer of the Financial Institution capable of acting upon and implementing the Remote Instruction.

Remote Instructions can be transmitted to the Financial Institution at the telephone or fax number or email address provided by the Financial Institution, or at such other telephone or fax number or email address as the Financial Institution may advise the Depositor by notice in writing, or online through the Direct Services for Business web portal. **Any 1 Signing Officer may act alone and provide Remote Instructions to the Financial Institution, even if 2 or more signatures are otherwise required to operate the Account.** The Financial Institution, acting reasonably, is entitled to assume that any person identifying himself or herself as a Signing Officer is in fact a Signing Officer, and can rely upon such, and the Financial Institution may act on the Remote Instructions provided by any such person. All Remote Instructions given to the Financial Institution in the name of the Depositor will bind the Depositor.

10. Verification and Acceptance of Transactions by the Financial Institution

All Transactions are subject to verification and acceptance by the Financial Institution and, if not accepted, or if accepted but subsequently determined to be in error or otherwise improper or unauthorized, the Financial Institution may, but is not obliged to, reverse them from the Account. Verification may take place at a date later than the date the Depositor authorized the Transaction, which may affect the Transaction date. Notwithstanding any other provision herein, if at any time the Financial Institution, acting reasonably, ever determines that a credit made to or traced to the Account was made in error or based upon a mistake of fact, or induced through or in any way tainted by fraud or unlawful conduct, the Financial Institution may place a hold on the credit and/or reverse the credit and any applicable interest.

11. Financial Institution Records

The Financial Institution's records of all Transactions will be deemed to be correct and will be conclusive and binding on the Depositor. All Transactions will appear on the regular statements of account for the Account.

If the Depositor believes or suspects that the records of the Financial Institution contain an error or omission, or reflect unauthorized Account activity, the Depositor must give immediate written notice to the Financial Institution, and in any event, must do so within the time provided in the Account

Agreement.

A copy of any fax or email message or other Remote Instructions or the Financial Institution's notes of any Remote Instructions given by telephone may be entered into evidence in any court proceedings as if it were an original document signed by or on behalf of the Depositor. The Depositor will not object to the admission of the Financial Institution's or Central 1's records as evidence in any legal proceeding on the grounds that such records are not originals, are not in writing, are hearsay, or are documents containing information extracted from a computer, and all such records will be conclusive evidence of the Remote Instructions in the absence of documentary recorded evidence to the contrary.

In the absence of evidence to the contrary, the records of the Financial Institution are conclusive for all purposes, including litigation, in respect of any other matter or thing relating to the state of the Accounts between the Depositor and the Financial Institution in respect of any Transaction.

12. Liability for Errors and Omissions

If the Financial Institution makes an error or omission in recording or processing any Transaction, the Financial Institution is only liable for the amount of the error or omission if the Depositor has not caused or contributed to the error or omission in any way, has complied with this Agreement and the Account Agreement, and has given written notice to the Financial Institution within the time provided in the Account Agreement, and to the extent the liability is not otherwise excluded by this Agreement or the Account Agreement.

If the Depositor has given such notice, the Financial Institution's maximum liability is limited to the amount of the error or omission. In no event will the Financial Institution be liable for any delay, inconvenience, cost, loss, or damage (whether direct, indirect, special, exemplary, or consequential) whatsoever caused by, or arising from, any such error or omission.

13. Exclusion of Financial Institution Responsibility

The Financial Institution is not responsible for any loss or damage suffered or incurred by the Depositor except to the extent caused by the gross negligence or intentional or willful misconduct of the Financial Institution, and in any such case the Financial Institution will not be liable for any indirect, special, consequential, or exemplary damages (including, but not limited to, loss of profits) regardless of the cause of action and even if the Financial Institution has been advised of the possibility of such damages. In no event will the Financial Institution be liable for any cost, loss, or damage (whether direct, indirect, special, or consequential) suffered by the Depositor that is caused by:

- (a) the actions of, or any failure to act by, the Depositor, a Signing Officer, or any Third Party (and no Third Party will be considered to be acting as an agent for the Financial Institution unless expressly authorized to do so for that purpose);
- (b) the inaccuracies in, or inadequacies of, any information furnished by the Depositor to the Financial Institution, including, but not limited to any failed, duplicative, or erroneous transmission of Remote Instructions;
- (c) the failure by the Financial Institution to perform or fulfill any of its obligations to the Depositor due to any cause beyond the Financial Institution's control; or
- (d) forged, unauthorized, or fraudulent use of services, or forged, unauthorized, or fraudulent instructions or Instruments, or material alteration to an instruction, including Remote Instructions.

14. Risks and Duties

Except for loss caused exclusively by the Financial Institution's gross negligence or intentional or willful misconduct, and subject to the limitations of liability in this Agreement or the Account Agreement, the Depositor assumes all risk of loss due to the use of Direct Services for Business,

including, without limitation, the risk of Third Party fraud and internal fraud of the Depositor. The Depositor further agrees that they will notify the Financial Institution immediately:

- (a) of any suspected or actual misuse or unauthorized use of the PAC and/or PIW; or
- (b) if the PAC and/or PIW becomes known to anyone other than the Depositor; and
- (c) if the Depositor receives Notification of any Transaction affecting the Account that alerts the Depositor of Account activity that was not authorized by them.

The Depositor will change the PAC and/or PIW if either of the notification requirements above in a) or b) arises.

The notification requirement above in b) does not apply if the Depositor or Signing Officer has disclosed the PAC to a Third Party for a personal financial management service similar to that described in article 30, Personal Financial Management.

The Depositor acknowledges that the Depositor is responsible for all use made of the PAC and/or PIW and that the Financial Institution is not liable for the Depositor's failure to comply with any part of this Agreement. The Depositor is liable for all authorized and unauthorized use, including all Transactions. The Depositor is also liable for all fraudulent or worthless deposits made into the Account. Without limiting the generality of the foregoing, the Depositor expressly acknowledges and agrees that the Depositor shall be bound by and liable for any use of the PAC or PIW by a member of the Depositor's, Signing Officer's, Delegate's, or Non Signer's household.

The Depositor acknowledges that the Depositor is liable for all transfers authorized by any Signing Officer to linked accounts. The Depositor bears all risk for all such Transactions.

Where the Depositor knows of facts that give rise or ought to give rise to suspicion that any Transactions, instructions in respect of the Accounts, or Instruments deposited to the Accounts are fraudulent, unauthorized, counterfeit, or induced through or in any way tainted by fraud or unlawful conduct, or otherwise likely to be returned to the Financial Institution or found invalid for any reason, the Depositor has a duty to make reasonable inquiries of proper parties into such Transactions, instructions, or Instruments, as the case may be, to determine whether they are valid authorized Transactions, instructions, or Instruments, as the case may be, before negotiating or, alternatively, accessing any funds derived from such Transactions, instructions, or Instruments, and to disclose to the Financial Institution the Depositor's suspicion and the facts upon which the Depositor's suspicion is based ("Suspicious Circumstances").

The Financial Institution may, in its sole discretion, investigate any Suspicious Circumstances disclosed by the Depositor, but the Financial Institution does not owe the Depositor any obligation to undertake its own investigation of Suspicious Circumstances. The Financial Institution may place a hold on all or some of the Depositor's Accounts pending investigation of any improper use of any Account. Any hold imposed by the Financial Institution pursuant to any of the terms of this Agreement, or investigation undertaken by the Financial Institution, is imposed or undertaken by the Financial Institution at the Financial Institution's sole discretion and for the Financial Institution's sole benefit.

Release of a hold by the Financial Institution is not a confirmation that a Transaction, instruction, or Instrument is in fact good and may not be relied upon as such by the Depositor. If, to the satisfaction of the Financial Institution, any improper use is established, the Financial Institution can withdraw or suspend Direct Services for Business and/or operation of the Account without notice.

15. Rights For Innocent Breach

Subject to the provisions of this Agreement and the Account Agreement:

- (a) if the Depositor and/or a Signing Officer did not reveal the PIW to any other person, other than authorized Financial Institution agents or officers when required by the Financial Institution, or

write it down or otherwise record it, and changed the PIW when required by this Agreement, the Depositor will not be liable for any unauthorized use that occurs after the Financial Institution has received written notice from the Depositor that the PIW may have become known to someone other than the Depositor and/or a Signing Officer. The Financial Institution will not be considered to have received written notice until the Financial Institution gives the Depositor written acknowledgement of receipt of such notice;

- (b) if the Depositor, Delegate, Non Signer, and/or Signing Officer did not reveal the PAC to any other person, other than authorized Financial Institution agents or officers when required by the Financial Institution, or write it down or otherwise record it, and changed the PAC when required by this Agreement, the Depositor will not be liable for any unauthorized use that occurs after the Financial Institution has received written notice from the Depositor that the PAC may have become known to someone other than the Depositor, Delegate, Non Signer, and/or Signing Officer. The Financial Institution will not be considered to have received written notice until the Financial Institution gives the Depositor written acknowledgement of receipt of such notice; and
- (c) the Financial Institution will not otherwise be liable for any damages or other liabilities that the Depositor may incur by reason of the Financial Institution acting, or failing to act, on Remote Instructions given in the name of the Depositor whether or not the Depositor and/or a Signing Officer actually gave the Remote Instructions. The Financial Institution will not be liable for any damages or other liabilities that the Depositor may incur by reason of the Financial Institution acting, or failing to act, on no statement requests made by a Delegate and/or a Non Signer through Direct Services for Business whether or not the Depositor, Delegate, and/or Non Signer actually gave the Remote Instructions.

16. Procedures For Addressing Unauthorized Transactions And Other Transaction Problems

In the event of a problem with a Direct Services for Business Transaction or an unauthorized Direct Services for Business Transaction, the Depositor will report the issue immediately to the Financial Institution. The Financial Institution will investigate and respond to the issue on a timely basis. The Financial Institution will not unreasonably restrict the Depositor from the use of the Account subject to dispute, as long as it is reasonably evident that the Depositor or Signing Officer did not cause or contribute to the problem or unauthorized Transaction, has fully cooperated with the investigation, and has complied with this Agreement and the Account Agreement. The Financial Institution will respond to reports of a problem or unauthorized Transaction within 10 business days and will, within a reasonable period of time thereafter, indicate what reimbursement, if any, will be made for any loss incurred by the Depositor. Reimbursement will be made for losses from a problem or unauthorized Transaction in this time frame provided that the Depositor has complied with this Agreement and the Account Agreement and on the balance of probabilities it is shown that the Depositor and Signing Officer took all reasonable and required steps to:

- (a) protect the confidentiality of the PAC and PIW as required by this Agreement and the Account Agreement;
- (b) use security safeguards to protect against and detect loss, theft, and unauthorized access as required by this Agreement and the Account Agreement; and
- (c) act immediately, upon receiving a Notification of, or becoming aware of, an unauthorized Transaction, to mitigate against further loss and report the issue to the Financial Institution.

17. Access Terminal Security

If Direct Services for Business are made available through the Internet or a telephone service provider, the Depositor acknowledges that, although the Financial Institution uses security safeguards to protect against loss, theft, and unauthorized access, because of the nature of data transmission, security is not guaranteed, and information is transmitted at the risk of the Depositor. The Depositor acknowledges and shall ensure that any private Access Terminal used to access Direct Services for Business is auto-locked by a password to prevent unauthorized use of the Access Terminal, has a current anti-Contaminant program and a firewall, and that each Delegate, Non Signer, and Signing

Officer acknowledges that it is his or her personal responsibility to reduce the risk of Contaminants or online attacks and to comply with this provision. The Depositor further acknowledges, and shall ensure that each Delegate, Non Signer, and Signing Officer acknowledges, that to reduce the risk of unauthorized access to the Account through the Access Terminal, the Depositor will sign out of Direct Services for Business and, where applicable, close the browser when finished using it. The Depositor further acknowledges, and shall ensure that each Delegate, Non Signer, and Signing Officer acknowledges, that using public or shared computers and Access Terminals, or using Access Terminals in a public place, or through an open Wi-Fi or shared Bluetooth portal, to access Direct Services for Business increases the risk of unauthorized access to the Account, and will take all reasonable precautions to avoid such use or inadvertent disclosure of the PAC and/or PIW.

18. Fraud Prevention And Detection

The Depositor agrees to maintain appropriate security controls and procedures to prevent and detect thefts of Instruments, or losses due to fraud or forgery involving Instruments, or fraudulent or unauthorized Transactions.

19. Links

If Direct Services for Business are made available through the Internet, the Financial Institution's website may provide links to other websites, including those of Third Parties who may also provide services to the Depositor. If the Indemnified Parties are entitled to and make any claim under this indemnity, we may pay the claim from your account. - (a) solely for the Remote Deposit Service, the Financial Institution appoints the Depositor as its agent, to act on behalf of the Financial Institution in the creation and transmission of an Official Image to the Financial Institution, and any other related duties that may be required by the Financial Institution, all in accordance with the Rules and applicable legislation governing Instruments. In this context, transmission to and receipt by the Financial Institution of the Official Image will have the same effect as if the Instrument was delivered to a branch of the Financial Institution for negotiation and clearing. The Depositor acknowledges and agrees and shall ensure that each Signing Officer and Delegate acknowledges and agrees, that this role as agent cannot be further delegated by the Depositor. Further, the Depositor acknowledges and agrees, and shall ensure that the Signing Officer and Delegate acknowledges and agrees, that the Depositor, Signing Officer, and Delegate shall each be personally responsible and liable for:
 - (i) compliance with this Agreement,
 - (ii) maintaining adequate security over any Access Terminal used and the location of use of the Access Terminal and any passwords so as to prevent use by others or interception of data transmitted,
 - (iii) ensuring that all Official Images created and transmitted are of good quality and fully and accurately capture all material details of the Eligible Bill,
 - (iv) maintaining adequate safeguards and procedures for the preservation of originals of all Eligible Bills transmitted as Official Images, and
 - (v) verifying that deposits expected to be made to the Account reconcile with dates and amounts applicable to transmissions made using the Remote Deposit Service and for providing immediate notice to the Financial Institution of any errors, omissions, irregularities, or concerns about suspicions of fraudulent Instruments or compromise of the security applicable to the use of the Remote Deposit Service;
- (b) the Financial Institution may, upon receipt of what reasonably appears to qualify as an Official Image, treat such as an Official Image and, as if it were an original of an Instrument received at a branch of the Financial Institution, subject to the Account Agreement and any policies of the Financial Institution governing Instruments;
- (c) the creation of an Official Image will be done using a method authorized by the Financial Institution, in its sole discretion, from time to time. Further, the Depositor agrees to take all proper and necessary precautions to prevent any other person from purporting to create or transmit an Official Image to the credit of the Depositor's Account;
- (d) nothing in this Agreement obliges the Financial Institution to accept for deposit any item whether it is or purports to be an Official Image. The Depositor shall not purport to create or transmit an Official Image of any item that does not qualify as an Eligible Bill or any item that is post-dated, stale-dated, received by the Depositor from anyone other than the drawer of that item, or that is in any way altered. If the Depositor, Signing Officer, or Delegate has any suspicions or concerns about the authenticity, validity, negotiability, or chain of title to any item purporting to be an Eligible Bill, then the Depositor, Signing Officer, or Delegate, as the case may be, shall not seek to use the Remote Deposit Service for negotiation or collection

of that item, but the Depositor or Signing Officer, as the case may be, will instead bring the original of that item to the counter of the branch of Account, identify the specific concerns to the Financial Institution, and fully disclose all material facts known by the Depositor, Signing Officer, or Delegate, as the case may be, relating to that item and fully cooperate with any inquiry or investigation of the concerns;

- (e) under the Remote Deposit Service, Eligible Bills are restricted to those Instruments in Canadian dollars or United States dollars, drawn on a financial institution domiciled in Canada or the United States, as and if applicable, in the sole discretion of the Financial Institution from time to time. The Depositor shall not seek to use the Remote Deposit Service to deposit any Instrument into an Account different than the currency denominated on the Instrument. Canadian dollar Instruments shall only be deposited to a Canadian dollar Account. United States dollar Instruments shall only be deposited to a United States dollar Account;
- (f) Official Images received through the Remote Deposit Service are subject to number and dollar limits that may change from time to time without prior notice to the Depositor;
- (g) any Transaction made on any day or at any time during which the Financial Institution is not open for business, may be credited to the Account on the next business day of the Financial Institution;
- (h) once an Official Image of an Eligible Bill has been transmitted to the Financial Institution through the Remote Deposit Service, no further Official Images of that Eligible Bill will be created or transmitted through the Remote Deposit Service (or any other similar service) unless the Depositor is requested to do so by the Financial Institution in writing. Further, the Depositor agrees to make no further use of the original of an imaged Eligible Bill and shall safely retain possession of the original of the Eligible Bill without further negotiation, transfer, or delivery to any other person or holder. In addition to all obligations and responsibilities either set forth in this Agreement or elsewhere, the Depositor agrees to indemnify and hold the Financial Institution and its service providers and Central 1 and all of their connected parties, including, without limitation, their respective agents, directors, officers, employees, affiliates, and licensees (collectively, the "Indemnified Parties") harmless from and against any and all liabilities and costs, including, without limitation, reasonable legal fees and expenses incurred by the Indemnified Parties in connection with any claim or demand arising out of or connected to the Depositor's use of the Remote Deposit Service or duplicate negotiation of items that were at any time presented as Official Images of Eligible Bills. The Depositor must assist and cooperate as fully as reasonably required by the Indemnified Parties in the defence of any such claim or demand. The disclaimers, liability exclusions, liability limitations, and indemnity provisions in this Agreement survive indefinitely after the termination of this Agreement and apply to the extent permitted by law. Without limiting the foregoing, the Depositor will indemnify and save the Indemnified Parties harmless from and against all liability, costs, loss, expenses, and damages, including direct, indirect, and consequential incurred by the Indemnified Parties as a result of any breach of this Agreement, or any claims arising from or relating to misuse of Official Images or items purporting to be Official Images, or negotiation of Eligible Bills where an Official Image has also been transmitted for collection;
- (i) on transmission of an Official Image of an Eligible Bill to the Financial Institution, the Depositor is responsible for immediately marking the face of the Eligible Bill with a blatant notation or mark that prevents renegotiation of the Eligible Bill and indicates that the Eligible Bill has been imaged and transmitted, taking care not to obliterate any material particulars of that Eligible Bill. (For example: This can be done by writing "void" or "paid" or placing a diagonal stroke across the face of the item with a pencil, pen, or brightly colored highlighter.) For a period of 120 days after transmission of the Official Image to the Financial Institution, or such shorter period as stipulated by the Financial Institution in writing, the Depositor shall retain and produce to the Financial Institution immediately on written request the original of all imaged Eligible Bills. If the Depositor receives a written request to retain or produce, the

Depositor will comply with the written request, and shall, if requested, produce, by delivering to the Financial Institution, the original of all specified Eligible Bills within 5 business days of such request. If the Depositor fails to comply with the written request made pursuant to this provision, then the Financial Institution can place a hold on or reverse any credit made to the Account in relation to those specified Eligible Bills, even if such creates an overdraft on the Account. If no written request is received within that time, then 120 calendar days after an Official Image has been transmitted to the Financial Institution through the Remote Deposit Service or such shorter period as stipulated by the Financial Institution in writing, and provided that the Depositor has verified a credit to the Account that reconciles to the Official Image transmitted, the Depositor **agrees and shall ensure that each Signing Officer, Delegate, and Non Signer agrees, to immediately proceed with destruction of the original of the Eligible Bill.** Destruction methods include shredding, pulping, burning, or any other means that ensures that the original Instrument cannot be reused;

- (j) the Depositor is responsible for any and all costs associated with obtaining a replacement Instrument in the event that the Financial Institution requests that the Depositor re-transmit an Official Image in accordance with h) above, and the original Instrument was destroyed in accordance with i) above or otherwise lost;
- (k) in the Financial Institution's sole discretion, electronic notices for purposes related to the Remote Deposit Service may be generated and sent to the Depositor at the Notice Contact Information after the Depositor uses the Remote Deposit Service to transmit an Official Image, including to advise the Depositor of the receipt by the Financial Institution of an Official Image. To receive such electronic notices, the Depositor must provide the Notice Contact Information required by the Financial Institution;
- (l) an electronic notice, if any, sent in connection with the Remote Deposit Service is for information purposes only and is no guarantee that the Official Image will be accepted by the Financial Institution or that the Account will be credited; and
- (m) the Financial Institution will not be liable for any cost, expense, loss, damage, or inconvenience of any nature or kind whatsoever arising as a result of use of the Remote Deposit Service, including, but not limited to, a delay in processing a Transaction or the Financial Institution requiring the Depositor to obtain another Instrument.

If the Financial Institution, through Direct Services for Business, makes the Online Payment Service available and the Depositor or Signing Officer authorizes the use of the Online Payment Service, the Depositor acknowledges and agrees, and shall ensure that each Signing Officer agrees, that:

- (a) if the Depositor has previously provided notice to the Financial Institution that Transactions through Direct Services for Business require the authorization of more than one Signing Officer, the Financial Institution will not allow the Depositor to use the Online Payment Service. For further certainty, the Depositor or any Signing Officer, acting alone, can authorize a Transaction through the Online Payment Service;
- (b) the Online Payment Service is only available in Canadian dollars from Participating Merchants;
- (c) Transactions for the Online Payment Service must be initiated by the Depositor or Signing Officer through the appropriate online payment option available on the website of a Participating Merchant. - (d) as soon as the Depositor or Signing Officer authorizes a Transaction through the Online Payment Service, and provided that there are available funds or credit, the amount of the Transaction will be withdrawn from the Account or a hold will be placed in the amount of the Transaction. The Financial Institution will hold the Transaction amount until the Participating Merchant successfully claims the Transaction or 30 minutes have elapsed, whichever comes first. The Financial Institution has no obligation to and will not pay interest on the Transaction amount. To the extent permitted at law, the Financial Institution is deemed to have a security

- interest in the Transaction amount from the time the Account is held until the Participating Merchant successfully claims the Transaction or the hold is removed;
- (e) Transactions sent and received through the Online Payment Service are subject to number and dollar limits that may change from time to time without prior notice to the Depositor;
 - (f) the Financial Institution will not be responsible or liable for any losses or damages incurred as a result of funds held and/or limits set by the Financial Institution, Interac Corp., a Participating Merchant, or a Participating Financial Institution;
 - (g) the Financial Institution, the Participating Financial Institution, and Central 1 are entitled to pay the Transaction amount to anyone who claims to be the Participating Merchant and provides the payment authorization details within 30 minutes of the Transaction being authorized by the Depositor or Signing Officer;
 - (h) the Financial Institution will not be liable for losses or damages incurred as a result of a person other than the intended Participating Merchant receiving the Transaction amount;
 - (i) if the Participating Merchant cancels, declines, or fails to claim a Transaction that the Depositor or Signing Officer authorized, the Transaction amount will be reinstated after 30 minutes have elapsed since the Transaction was authorized. However, the Financial Institution cannot guarantee the date or time that the hold on the Transaction amount will be removed;
 - (j) the Financial Institution, Central 1, or Interac Corp. may cancel a Transaction once it is authorized, but before payment authorization details are sent to the Participating Merchant if there is reason to believe that a mistake has occurred or that the Transaction is a product of unlawful or fraudulent activity;
 - (k) once payment authorization details have been sent to the Participating Merchant, a Transaction cannot be cancelled. Payment authorization details are sent immediately after a Transaction is authorized by the Depositor or Signing Officer;
 - (l) all disputes, including requests for refunds, will be handled directly between the Depositor or Signing Officer and the Participating Merchant without the participation of the Financial Institution or any other party. A refund, if any, may be received through Direct Services and Central 1 for credit to the Account, or through such other method the Participating Merchant deems appropriate;

 - (n) in the Financial Institution's sole discretion, electronic Notifications for purposes related to the Online Payment Service may be generated and sent to the Depositor at the Notice Contact Information after the Depositor or Signing Officer authorizes a Transaction, including to advise the Depositor that the Account has been debited. To receive an electronic Notification, the Depositor must provide the Notice Contact Information required by the Financial Institution;
 - (o) an electronic Notification, if any, sent in connection with the Online Payment Service is for information purposes only and is no guarantee that the Participating Merchant will successfully claim the Transaction or that the Depositor has successfully purchased the product or service from the Participating Merchant; and
 - (p) the Financial Institution will not be liable for any cost, expense, loss, damage, or inconvenience of any nature or kind whatsoever arising as a result of using the Online Payment Services, including, but not limited to, a delay in processing a Transaction or a Participating Merchant failing to claim a Transaction.
